

FOOD PROCESSING PROGRAM: **Lishe Bora** (in English, **Nutritious Food**), made by Oneness Development Institute. INGREDIENTS: Finger millet, Maize, Rice, Wheat, Simsim, Millet, Groundnuts, Soya Beans, Fish

Nutritious Food: porridge used by children expectant and lactating mothers. Very important to children, old people and the sick. ODI plans to produce 10.000 kgs of Nutritious Food by the end of June 2013. But the civil conflict, HIV and AIDS and poverty are the obstacles for our development.
